#### 4 BODY

Fold body in half and glue. Trim along cut lines, fold bottom part up to create feet, and set aside.

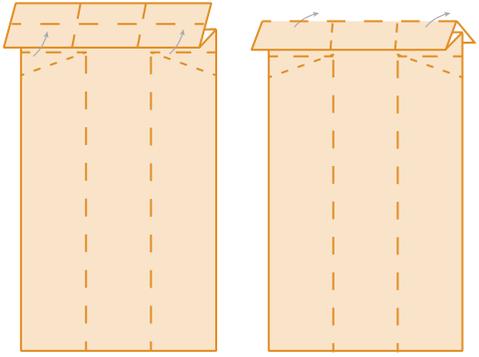

#### 5 WRAP

Crease all mountain and valley folds then unfold. With the artwork facing up, fold the bottom line towards you to create a valley fold.

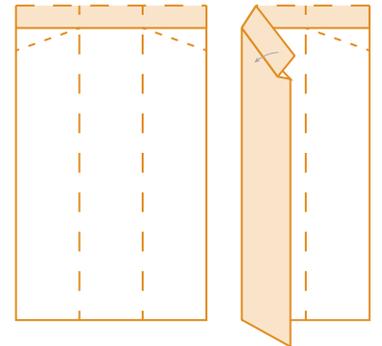

#### 6

Fold the next line away from you, and then once more so the top collar panel wraps around the top and finishes on the unprinted side.

#### 7

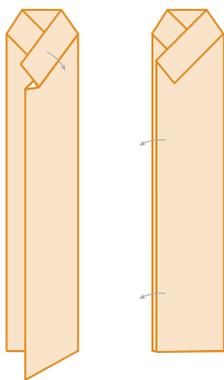

Flip the wrap over, fold left panel towards you. Push down on the collar and crease into the triangle fold.
